## PROFILE

As a highly motivated and detail-oriented individual, I believe my analytical skills and ability to think critically are among my strongest qualities. I possess a strong foundation in engineering principles, coupled with proficiency in Python and Microsoft Office. I am also an effective communicator and a team player, able to collaborate effectively with individuals from diverse backgrounds to achieve common goals. In my previous academic and extracurricular experiences, I have demonstrated a strong work ethic, a commitment to excellence, and an ability to learn quickly and adapt to new challenges. I am confident that these skills, coupled with my passion for engineering, make me a strong candidate for the engineering internship position.

## EDUCATION

**BSc | Electrical & Electronics Engineering | Middle East Technical University**

2020 – CURRENT

**BİLSEM Graduation | Yasemin Karakaya Science and Art Center**

2010 – 2020

I would like to highlight that I spent 10 years at this center exclusively for intellectually gifted and talented students, where I worked in various fields such as robotics, sculpture, and music, and represented the institution in competitions. After graduating from the school, I continue to serve as a consultant to current students.

**High School | Arı Science High School**

2016 – 2020

I would like to mention that I attended Arı Science High School on a full scholarship, and I ranked first in Turkey on one of the two entrance exams for that school.

## EXPERIENCE

## SKILLS

- Proficiency in Python and Microsoft Office
- Proficiency in English and strong verbal and written communication skills
- Ability to work collaboratively in team environments and communicate effectively with team members
- Strong analytical and problem-solving skills
- Active listening and the ability to understand and respond to others' perspectives
- Strong attention to detail and ability to ensure accuracy in work

## LANGUAGES

**Turkish** | Native

**English** | Advanced

**German** | Intermediate

## HOBBIES & SPECIAL SKILLS

**Playing Piano:** I have been playing the piano for 12 years, which has not only honed my musical abilities but also cultivated discipline and perseverance.

**Sculpting and Painting:** I have a keen interest in sculpting and painting, which allows me to express my creativity and explore different forms of art.

**Reading:** I am an avid reader and consider myself a true bookworm. I enjoy diving into various genres, expanding my knowledge, and exploring different perspectives through literature.

**Licensed American Football Player:** I have actively participated in American football and obtained a license. This sport has taught me teamwork, strategic thinking, and perseverance.

**Licensed Chess Player:** I have developed strong analytical and strategic thinking skills through my passion for chess. Participating in chess tournaments has sharpened my decision-making abilities and helped me become a better problem solver.

**High School Athletics:** I was a member of the athletics team in high school, participating in various track and field events. This experience taught me the value of discipline, hard work, and pushing my limits.

**Swimming:** I enjoy swimming as a recreational activity. Although I pursue it on an individual level, it provides me with relaxation, physical exercise, and a sense of accomplishment.
